Our Mission focus for **January** is missionary support for Zambia (Betty Tshala). Betty Tshala serves in the nutrition program of the Mujila Falls Agricultural Project in the Northwestern Province of Mwinilunga, Zambia. With a degree in nursing administration, she has long taught about the overlooked treasures in the local diet, such as the Moringa tree, recently recognized by the international community as a “superfood.” Betty’s husband, Tshala Mwengo, was also a missionary supported from our Conference. He died in a bus accident in 2014 while returning from the market.

Make checks payable to "Reynolds Church", put "Zambia" or “M.O.M.” in the memo line and drop it in the offering box any Sunday this month or mail to Penny. THANK YOU!  
Missions Team

The Girls Scouts in Steward are still collecting plastic lids for the Buddy Benches, so please keep bringing them in! Judy Light will take them to the girls.

In September of 2021, the General Conference of the United Methodist Church will likely take action to divide the denomination and pass legislation creating a process for local congregations to decide whether they will remain part of the United Methodist Church, or separate and become part of a new Methodist denomination. The Ministry Council and I would like to **invite** you to an informational presentation **on either Saturday January 23 at 2 pm, or Sunday January 24** immediately following the worship service (about **11:00 am**). This presentation is intended to provide simple and straightforward info about what’s going on, what we’re likely facing, and what that means for what we’ll need to do, for the sake of a basic shared understanding. Expect about 15 minutes of presentation and about 30 minutes of Q & A immediately after, and we’ll schedule follow up for those who are interested.
